Dear Mr. Schultz and Members of the Kirkwood Evening Optimists:

This has been a very uplifting week for Camp Happy Day as we have received over \$5,000.00 in donations from 6 organizations. This will certainly help us to offer financial assistance to our clients.

We have registered 30 campers to date and all but 4 families have requested some form of financial assistance. While we hope to enroll more families who can pay full tuition, we realize how many families are struggling with our economy.

Your generous gift of \$500.00 is greatly appreciated. Your support of Camp Happy Day since 1997, totaling \$2,350.00, has helped in so many ways.

We would love to have the Kirkwood Optimist come and see our camp in action and to see how your generosity is benefiting so many children.

Thanks again for your continued support and wonderful reception whenever I come to speak

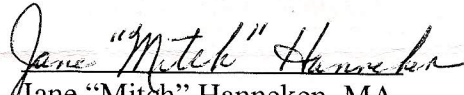

Sincerely,
