Dear Kirkwood Optmists:

On behalf of our Board of Directors, staff and clients at the Center for Hearing & Speech, please accept my gracious thanks to the Kirkwood Evening Optimist Club for making a generous donation in the amount of \$500.00*. Your gift goes a long way to support low-income families living with communication disorders in the St. Louis community. Because of you, many more clients are able to "Join the Conversation."

The financial support of the Kirkwood Evening Optimist Club will provide 65 low-income children screenings free of charge to assess each child's hearing, tympanometry and vision health. The School Screening Program provides early intervention health care that is so important to a child's development. Thank you for enabling us to provide the much needed screenings for children of our community.

Friends like the Kirkwood Evening Optimists help the Center provide school screenings, hearing aids, speech therapy and other services to those in need. Your support will improve the quality of life for individuals with communication disorders, allowing them to "Join the Conversation". Each donation makes a difference and increases the quality of life for young and old in our community.

Sincerely,

Rita by v.s.

Rita E. Tintera
Executive Director
