Dear Members of the Kirkwood Evening Optimist Club:

I wish to thank the Kirkwood Evening Optimist Club for providing trees, decorations and \$100 gift cards to 15 Kirkwood School District families this year. This gift goes a long way to provide comfort and peace to families who can use a little extra encouragement during the holiday season.

Thank you for going "above and beyond" this year by adding additional families to your already generous support list. The Optimist Club has a great reputation for its care and support of the families and children in the area. I appreciate the work you do in the Kirkwood community.

Sincerely,

Tom Williams, Superintendent
Kirkwood School District

Thank You!
